Bob

I've got a lot of photos on my phone. My favourite photo is of me and my best friends, Robin and Dean. It's 2004, we're 19 and we're on holiday in the USA. We're standing in a big music shop. We're looking for a CD to remember our trip and we can't decide: reggae or hip-hop?

Sarah

This photo is the view from my bedroom window of my village and the shops on Main Street: the florist's, the bookshop and the newsagent's. People are walking and talking. And look! There's my brother – he's buying bread at the baker's. He usually buys fresh bread and the newspaper at the weekend.

Toni

I took this picture with my new mobile phone. My mum's making a funny face! She's cross with me and she's saying: 'Can you hurry up?' She hates this picture but I love it.
